Subject: Watch Dog story on DDA Marugg

Jeff,

Marugg is not the only DDA allowed to quietly resign in order to suppress criminal investigation of the DA's office and DA Dumanis. This is the same obstruction of justice system that was working in the DDA Laura Gunn and the DDA Daniel Rodriguez resignations over audio tape evidence tampering. Audio tape evidence tampering that is directly connected to the current Chief McCoy - Officer Garcia audio tape evidence tampering during the same time period. These are some of the cases I tried to tell you about in our meeting.
